

ALL ABOARD! The Blue Revue Express is Set to Ship Out.

The region is continuing to assist its members in all areas. With the rising prices of airline tickets and the somewhat difficulties in renting a car these days, one area we are now confirming is bussing. We are in the midst of booking a 47 seat fully charter equipped bus to provide an alternate transportation method.

For those who are interested in purchasing a seat for the 2007 Blue Revue Express listen up. We are offering bus seats for \$110. The reservation can only be confirmed by the purchase of the seat. The seat must be paid for by March 1st. Anyone and everyone is invited to jump on board. You have several options at your disposal:

1. Go online at the regional site (pbs1914west.org) and use your credit card through PayPal, which will charge you an additional fee.
2. Mail either a personal check or money order to 19510 Caney Ave, Carson, CA 90746. Attn: Blue Revue Express.

Since it is short notice we will accept personal checks. But note we will aggressively pursue any NFS checks.

The bus will make a total of five stops. Sac State, San Jose State, Fresno State, Long Beach state and USC. Departing on Thursday, March 15th and returning on Sunday, March 18th. Pick up times will be announced on March 2nd. Only those who have reserved a seat may board. We must have a confirmation of at least 44 seats in order for this to work. So, ask our sisters if they would like to go.

Let's make this the party bus of all time. For more information feel free to contact Brother Raphael Forbes at (707) 655-8966.
